COLLEGE ADVISING

**GUIDE TO COLLEGE FINANCING
WITH
GEORGE MILLS
VICE PRESIDENT FOR ENROLLMENT
UNIVERSITY OF PUGET SOUND**

George Mills reviews the philosophies and structures behind college aid awarding. Much more than a “here’s how you fill out the financial aid forms” talk, George’s refreshing and transparent discussion is an annual favorite with families. This is a program we organize yearly, so if you can’t make it this year, know that we try to invite George annually for another smart, lively, and informative evening of financial aid conversation with one of the profession’s most respected and experienced deans.
