

After-School

Animation

Workshop

Upper School film teacher, Cheryll Hidalgo, is offering an After-School Animation Workshop for Middle School students starting after winter break. Says Cheryll, "Our goal is to produce a finished animated short film using legos and stop-motion animation techniques. The film we made in 2010, "I Like To Move It", won the top award at the Middle School Media Fest hosted by Seattle Country Day School last winter and has been requested by the *Fresh Films* Youth Film Festival in Ireland (!) for screening there this winter. I am hoping we can produce another hit this year!"
